DEVOTION

FAITH

The Guru bestows Divine Knowledge and reveals the mysteries of the three worlds.

In the heart's garden, plant, like seeds, the Word of the Guru.

Let brotherhood with every being on earth be the highest aspiration of your Order.

Through faith in the Guru the True Self is known.

LIFE IS A FESTIVAL

When Thou, my Expectation, art not near,
Each moment is an age of grief and fear;
But while I may behold and hear thee, all
My days are glad, and life's a festival.
